## Bringing Services Closer to the People

Huduma Mashinani is a Huduma Kenya outreach initiative designed to bring essential government services closer to the people by establishing service points in marketplaces, DCC offices and other locations. Huduma Centres nationwide have organized multiple Mashinani outreach programs, making the initiative a remarkable success. This effort empowered local communities by delivering essential government services directly to them. The services offered include:

- Birth and Death certificates
- New and duplicate IDs
- SHA registration
- NSSF
- KRA
- HELB
- Police Abstract
- Police Clearance Certificate / Good Conduct
- NCA
- Pension
- Uwezo fund
- Self-help group registration

This initiative enhances convenience, inclusivity and efficiency in Public service delivery ensuring that every Kenyan benefits from government services regardless of their location.

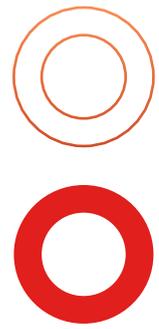

Huduma Mashinani is a testament to our commitment to bringing services closer to the people.
